

“UPDATE-UPDATE”

Hess Fitness Center (Bld-520) Locker Room RENOVATION

The renovation of the Hess Fitness Center locker rooms is scheduled to be completed February 1, 2010. There are currently 2 dressing rooms available for customer use and 2 Porta-Potties on the South East corner of building 520 (Behind Indoor Pool). It is recommended that all customers bring extra clothing/cold weather gear in order to make the small, but brisk walk, to the Warrior Fitness Center for shower facilities. Thank you for your patience and we are looking forward to new locker facilities..
