Joseph Summerhays

“I am excited to be teaching at Hubbard Golf Course this year. I have been a professional golfer for 18 years. In my playing career I’ve won many professional events and competed at the highest level on the PGA Tour. Learning and teaching the golf swing has always been a passion of mine. As I transitioned into more teaching time over the last 7 years. I have been using that knowledge to help others improve their ability to play the game of golf. I have been around golf my entire life and have developed a good eye for improving the golf swing, and I am confident that I can improve yours. Most recently I have been an instructor at Oakridge Country Club and Glen Eagle Golf Club, where I have experienced great success at helping golfers improve their games. I am excited to teach golfers of all abilities, from beginners to the most experienced golfers. I am ready to lower your scores so lets get to work. I hope to see you soon on the range.”

A Message from Bruce Summerhays

“During my 16 years of competing on the champions Tour, I was able to have my children caddy for me. When Joseph was on my bag, I took the opportunity during the week to have him review the direction I was heading with my golf game. This included my golf swing, my mental preparation, and how I went about playing the golf course. He has a great eye for the game and helped me stay on track. He has always had a passion for the game of golf and I am confident he has knowledge and dedication to help.”
